Date of disposal

States that he is given to understand that there is a scheme for supplying water to Doddaballapur town from the Yettinahole for Rs 340005/- that one Shivalinga has represented before the Representative Assembly that the people of Doddaballapur understate to pay Rs 170005/- that on account of the compulsion of the deputy Commr and many of the people were made to enter their donations in the subscription list. Shivalinga himself keeping back that no body will pay how - ever, that the water supply project can only serve half the town the one half being already well supplied town water even to the present quality, that by raising the water level of the bund of the tank proposed to many villages will be submerged & many people will lose their
